

Dear Faculties, Students and Staffs:

The most recent pandemic alert Q&A are posted on the Coronavirus special section (<http://2019-ncov.site.nthu.edu.tw/p/406-1499-206897,r8569.php?Lang=en>).

In regard to the pandemic prevention policies effectively leading to the lowering in campus population, the number of temperature measurement stations will be reduced to 8 starting on May 18th (please refer to attachment for details).

Main campus stations: north gate, south gate, west gate, Division of Student Housing, College of Humanity, sky-walk of Feng-Yun building, and main library.

Nanda campus : front gate.

The Epidemic Prevention Team of National Tsing Hua University
